

WRIGHT STILL HAS CHANCE

Russell Wright, Bisbee boy who was injured by diving into a canal at Colton, Calif., is in a critical condition, according to telegrams received here yesterday. An operation was performed in a hospital at Colton, and though his injury was very serious, hopes were held out for his recovery. Wright's neck was dislocated, presumably by striking his head on the bottom of the canal.

ALVAREZ WINS

SAN ANTONIO, Tex., April 29.—Joe Alvarez of Sacramento, California, was given a referee's decision here tonight over Pete McCarty of Oklahoma City after 10 rounds of furious boxing.

ed, presumably by striking his head on the bottom of the canal.

FRIENDS SEE CHANGE IN THIS OAKLAND MAN

A. G. Fuller Says Tanlac Has Restored His Health And He Has Gained Thirty-Five Pounds in Weight

"My friends all seem astonished at the wonderful change that has taken place in my condition in so short a time," said A. G. Fuller, an expert accountant of 2071 62nd Ave., Oakland, Cal.

"Following an attack of the flu in 1919, I found myself in an awful rundown condition. My stomach, which had troubled me for three years, became very much worse and for two months I suffered frightfully. I rarely ate at all during that time

and fell off thirty pounds in two weeks.

"I was also suffering from loss of energy and general weakness, and this, as well as the stomach trouble, became much worse. Gas would form on my stomach, causing awful pains and a feeling of suffocation. I was badly constipated and in such misery that I would often roll and toss all night long in my bed. I was so weak and nervous that I could do no work.

"My mother persuaded me to try Tanlac and my weight increase was thirty-five pounds—a gain of five pounds above my usual weight—in thirty days. I can eat anything now without a sign of indigestion. My nerves are back to old-time form and for two months I suffered frightfully. I am enjoying life and good health as I have not before in years."

ODD FELLOWS TO OBSERVE 102D ANNIVERSARY

Appropriate Ceremonies To Be Held This Evening By Bisbee Lodge

Celebration of the 102nd anniversary of the foundation, in the United States, of the Independent Order of Odd Fellows will be held this evening by the local lodge of I. O. O. F. at their home on Subway street. On April 26 the order attained the venerable age of 102 years and throughout the country, during the current week, the order has been celebrating its birthday.

The order was originally instituted in Baltimore, Maryland, on April 26, 1819. It secured a charter from the English order of Majesty Unity. Among the founders in this country were Thomas Wilsey, Richard Cheatham and John Ridley. The order continued for a few years as a branch of Majesty Unity but soon took on an independent character and has been known as the Independent Order of Odd Fellows since that time. It is interesting to note that the Odd Fellows' order was the first, following hostilities between the states in 1865, to resume relations.

Property owned by the order is valued, at the present time, at about eighty millions of dollars. The order operates sixty-seven homes for orphans and aged and infirm members of the order. Ground has been broken in Safford, Graham country, for a home in the state of Arizona. It distributes, annually, about \$7,000,000 in relief to its members. Membership in the order totals approximately 2,300,000. Lodges are to be found in the continental and territorial possessions of the United States, in Canada, Cuba, Germany, Denmark, Switzerland, Australia and New Zealand.

The Odd Fellows claim the distinction of being the first fraternal order to be established in Bisbee. This occurred in July of 1888. William Hughes still a resident of the city, was the first noble grand, and J. G. Pritchard, long a well known citizen of the community and now residing in Southern California, was the first secretary. The new building of the I. O. O. F. was erected in 1918 and constitutes one of the attractive structures of the city.

Peacock Manager Improves Popular Main Street Place

The Peacock, new candy, ice cream and light lunch establishment on Main street, under the management of J. T. Gentry, has been completely renovated and tinted, making it one of the airiest, most sanitary and pleasing interiors in the city.

Although the work has greatly improved the appearance of the store, and several modern features have been installed in the factory end of the building, Gentry's main purpose was to make the establishment even more clean and sanitary, both at the fountain and in the ice cream parlor, and in the factory.

Practically all of the candy, and of the ice cream and "trimmings", dispensed at the soda fountain, are prepared in the kitchen of the store.

Hilvilla Tea

A Better Tea BOTH KINDS GREEN OR BLACK

It's a long way in quality from ordinary tea to fine tea, but it's only a short way in price. Why not drink Hilvilla then and enjoy the best?

We highly recommend Hilvilla Tea and always have a fresh supply on hand.

VISITORS FROM GLOBE.

Mr. and Mrs. Eugene Broughton, of Warren, are enjoying a visit from Mrs. D. L. Forrester and son of Globe. The Forresters having arrived yesterday by the Cochise stage.

Stage Gives Refund If Passenger Fails To Make S. P. Train

Service that guarantees to connect with the east bound Southern Pacific train No. 110 at Cochise, with the penalty being no charge for the fare, is that which is now being furnished by the Bisbee-Cochise Stage line. The line is being operated by O. J. Nelson and F. A. Caston.

Leaving Bisbee each morning at 9:15 o'clock, from the Bisbee Auto Company, on Main street, the stage line connects with the 9 o'clock Douglas to Bisbee stage at Forest Ranch and thence goes to Gleeson, Courtland, Pearce and Cochise, arriving at the Southern Pacific junction point at 12:15. The east bound S. P. train, No. 110, arrives at Cochise at 1:10 p. m. and makes connections for travelers with points east, including Bowie, Globe and Gila Valley points. Another feature of the line is that by connecting with the Bowie-Globe train of the Arizona Eastern, Clifton, Morenci and Metcalf may be reached from Solomonville.

Returning the stage connects with west bound Southern Pacific train No. 1, and is scheduled to leave Cochise at 3:15 o'clock, arriving in Bisbee at 6:30 p. m.

The line uses big six Studebakers for the run and has had remarkable success with them. Careful drivers are employed and every effort is made on the run to make for the comfort of the passengers.

NEWSPAPER IS SOLD

KANSAS CITY, April 29.—Sale of the Kansas City Journal to Walter S. Dickey, wealthy building material manufacturer of Kansas City, was confirmed in federal court today by Judge Arba S. Van Valkenburgh. Dickey was high bidder for the paper at a receivers sale last Monday, the bid being \$111,000 with the bidder assuming a \$100,000 real estate mortgage and \$10,000 in taxes and interest.

The Journal is a morning paper and the oldest newspaper here.

pared in the kitchen of the store. Gentry has his own ice cream manufacturing machinery, and all cream and candy is made there under the direction of an expert. With the improvements just completed, and with modern machinery and methods, it is possible to keep the plant and equipment scrupulously clean, and to turn out a wholesome, sanitary product.

The Peacock will specialize in the future on light lunches. Gentry has instruction given to all girls employed at the fountain in the preparation of sandwiches, salads and other lunch specialties.
